## Most Active Member Scholarship

Don't forget about the \$250 scholarship for the Most Active Member. The recipient will be selected based on which member has the most points at the end of every semester. Members received points for attending professional meetings, Buddy Night activities, participating in the Blood Drive, and attending Accounting Society and College of Business activities, and other various activities..

## Plant Tour

On Friday, October 9th, more than twenty Accounting Society members went to St. Louis to tour the Anheuser Busch Brewery. The SIUC Accounting Society sponsored a bus to the plant. The tour included a visit to the Clydesdale Stable and Paddock,

Beechwood Lagering Cellars, Brewhouse, and Bevo Packaging Plant. The tour lasted about an hour and a half. Members stopped on the way back and had lunch at 54 Street Grill. This was a great learning experience and a lot of fun!

The Institute of Management Accountants St. Louis Chapter will be having their fall St. Louis Night on October 13th. This is another great opportunity to network with professionals, students from other chapters, and get to know your fellow Accounting Society Members better.

Don't Miss Out!

## Successful Golf Scramble

The 25th Annual Accounting Society Golf Scramble held on September 19th at Red Hawk Country Club was very successful. Those in attendance included Accounting students, faculty, and accounting professionals from a wide range of companies. Participants enjoyed spending a few hours on the golf course enjoying the beautiful day. Thank you to all those who helped make this year's golf scramble a success! A special thank you goes out to the Golf Chairs: Nick Harris and Scott Wilmouth for putting together a wonderful event!

# Accounting Society

## Tip:

Wear business casual to weekly professional meetings. This is a collared shirt and dress pants, khakis, and or a dress for girls. Your appearance is the first thing firms see. Make it count!

## Football Concessions

On October 24 Accounting Society will be working football concessions for the Salukis matchup against the Youngstown State Penguins. This is a good fundraising opportunity for the Accounting Society, not to mention a great time for the members. It is also a great way to become better acquainted with one another. If you would be interested in having a great time enjoying the atmosphere of Saluki football, while helping out the Accounting Society, please contact Bailey Hasemeyer at: [baileyjo@siu.edu](mailto:baileyjo@siu.edu).

Southern Illinois University at Carbondale

## Save the Date!!!

On October 29 Accounting Society Members will be going to the Haunted Barn in Herrin for the October Buddy Activity.

Thanks to everyone who attended the Business Card Seminar, Accounting Career Fair, and New Member Night last month. Attendance has been fantastic. Keep up the hard work!

## Professional Meetings

Accounting Society professional meetings are now in full swing at SIUC. Meetings are now being held in Lawson 151 at 5:00 P.M. on Tuesday nights. The Accounting Society has seen an array of presenters, including insurance companies (State Farm), professional accounting firms (Deloitte), and SIUC Placement Center's Donna Margolis. A lot is to be learned from the companies and individuals presenting at the meetings. Networking opportunities are always available at the end of the presentation. And, as always, free food is served. Thanks to all the companies and individuals that have presented so far this year, and the Accounting Society is looking forward to those to come.
